When reading the Bible, look for:

- 1) Lessons to be learned
- 2) Examples to be followed
- 3) Promises to be enjoyed
- 4) Jesus to be revealed

---

“What this means is that those who become Christians become new persons. They are not the same anymore, for the old life is gone. A **New Life** has begun!”

II Corinthians 5:14 (NLT)

There's More....

## There's More....

To make your Bible reading even more fulfilling and richer we encourage you to begin writing down what God reveals to you in His Word and Prayer Time.

It is simple! Just purchase a Life Journal from our Equipping Ministry or a plain white notebook from a local store. Then use the S.O.A.P. Method! SOAP is an acronym for "Scripture-Observation-Application-Prayer."

As you develop your daily reading ask the Holy Spirit to speak to you through one or two key verses. Then...

Scripture: Write those scriptures down in your journal.

Observation: Write what you observe in the verse (s) and why they stood out to you

Application: Write how you are going to apply this new truth to your life today!

Prayer: Write out your prayer of commitment and ask God to help you fulfill it!
